

Projectgroup

```
graph LR; PG[Projectgroup] --- VMPlace[Virtual Meeting Place]; subgraph VMPlace; VGR[Virtual Group Room]; VPT[Virtual Project Tools]; VGR --- VPT; end
```

The diagram illustrates the components of a virtual meeting environment. A 'Projectgroup' box is connected to a larger 'Virtual Meeting Place' container. Inside this container, there is a 'Virtual Group Room' box, which is further connected to a 'Virtual Project Tools' box. The 'Virtual Meeting Place' container has rounded corners and a light gray background, while the other boxes are simple rectangles with black borders.
